

Alligator

How-to: this is a repeat-after-me song!

Lyrics:

CHORUS:

Alligator (make a chomping motion with hands)

Alligator

Alligator! (make a larger chomping motion with hands)

Alligator!

ALLIGATOR! (make an even larger chomping motion with hands)

ALLIGATOR!

Can be your friend, can be your friend, can be your friend too!

Can be your friend, can be your friend, can be your friend too!

V.1

The alligator is my friend,

The alligator is my friend,

And he can be yours too.

And he can be yours too.

If only you would understand,

If only you would understand,

That he's got feelings too.

That he's got feelings too.

CHORUS

V.2

The alligator is my friend,

The alligator is my friend,

He has a lovely face.

He has a lovely face.

I'd rather have him as my friend,

I'd rather have him as my friend,

Than to have him on my suitcase.

Than to have him on my suitcase.

CHORUS

V.3

The alligator is my friend,

The alligator is my friend,

He has a very lovely pelt.

He has a very lovely pelt.

I'd rather have him as my friend,

I'd rather have him as my friend,

Than to have him on my belt.
Than to have him on my belt.

CHORUS

V.4

The alligator is my friend,
The alligator is my friend,
He has a very lovely snoot.
He has a very lovely snoot.
I'd rather have him as my friend,
I'd rather have him as my friend,
Than to wear him on my boot.
Than to wear him on my boot.

CHORUS

V.5

The alligator is my friend,
The alligator is my friend,
He can be your friend too.
He can be your friend too.
I'd rather have him as my friend,
I'd rather have him as my friend,
Than wear him as a shoe.
Than wear him as a shoe.
