

## Birdie Birdie

Birdie birdie in the sky  
Why do you do that in my eye  
I will not laugh I will not cry  
I'm just glad that pigs don't fly

[Louder]

Birdie birdie in the sky  
Why do you do that in my eye  
I will not laugh I will not cry  
I'm just glad that cows don't fly

[Louder]

Birdie birdie in the sky  
Why do you do that in my eye  
I will not laugh I will not cry  
I'm just glad that [counselor's name] don't fly
